

Baby Steps

for parents and grandparents...

There are fewer times in life more special than the arrival of a new baby. With great anticipation, you prepare for months to welcome that new little boy or girl into your home and your heart.

The West Penn Hospital – Forbes Regional Campus thanks you for choosing our facility for this special event, and we offer you the opportunity to commemorate your baby's birth with a place on our Baby Steps wall.

Proceeds from this program will benefit obstetrical services at West Penn Hospital – Forbes Regional Campus.

Baby Steps

Supporting the New Women's and Infants' Care Center

Your gift will help new mothers receive quality family centered care at The Western Pennsylvania Hospital - Forbes Regional Campus.

Baby Steps

a celebration of life
and a keepsake...

For a donation of \$145, we will include your baby's footprint, name, birth weight and date of birth on a 4x4" ceramic tile that will be placed on the Baby Steps display in our new Women's and Infants' Care Center for an extended period of time. You will also receive a duplicate keepsake tile as a permanent reminder of the special day that your little one was born. Additional quantities of the same tile can be yours for an additional donation of \$45 each.

We will also honor babies that were born prior to the start of this program in 2007. We will scan your baby's footprint from the copy you have at home, or we can use a generic footprint. Please call our office for more details.

"We find delight in the beauty and
happiness of children that makes the heart
too big for the body."

Ralph Waldo Emerson
