TREE OF LIFE

The Forbes Hospice Tree of Life allows individuals, families, and organizations to remember and honor loved ones. It is a lasting memorial and one way of saying "Love Never Ends."

The leaves on the branches and the stones at the base of the Tree have another benefit that will love on forever. The donations made in honor of loved ones are used to help those who come to Forbes Hospice for care and compassion. In this way, the Tree of Life perpetuates Forbes' mission of love and concern. Because of your donation, those who reach out for quality of life, even to the end, may obtain it.

To place a message on a brass leaf, (3 inches by 1 ½ inches), a donation of \$1,000 is requested. This gift can be made at one time or can be attained by the accumulated donations of family and friends. When donations total \$1,000, the leaf will be inscribed and placed on the Tree according to the donor's wishes.

I wish to honor or memorialize a loved one with the following:
