

# What Cancer Cannot Do ~

Cancer is limited  
Cancer cannot cripple love  
Cancer cannot shatter hope  
Cancer cannot erode faith  
Cancer cannot destroy peace  
Cancer cannot kill friendship  
Cancer cannot destroy memories  
Cancer cannot silence courage  
Cancer cannot invade the soul  
Cancer cannot steal eternal life  
Cancer cannot conquer the spirit  
Cancer is limited.....

The following are comments we have received from oncology patients and their families:

“I want to thank each of you for the wonderful care and attention that you showed to my brother. It was apparent that all that you did was from a true sense of compassion and concern.”  
*Frank B.*

“You are a very special group of people. I hope you all know how much you helped me and my Mom through your kindness and caring.”  
*Debbie C.*

“May you truly know the many blessings and joy that you bring to each patient with your knowledge and caring ways. We appreciate you and we thank you.” *Shelly M.*

## The Oncology Wall of Hope

Helping patients in  
the Oncology Unit at  
The Western Pennsylvania Hospital -  
Forbes Regional Campus

Your gift will help to insure that people with cancer in the eastern suburbs receive quality and compassionate care in their own community.

Cancer - A disease that touches just about everyone in some way...

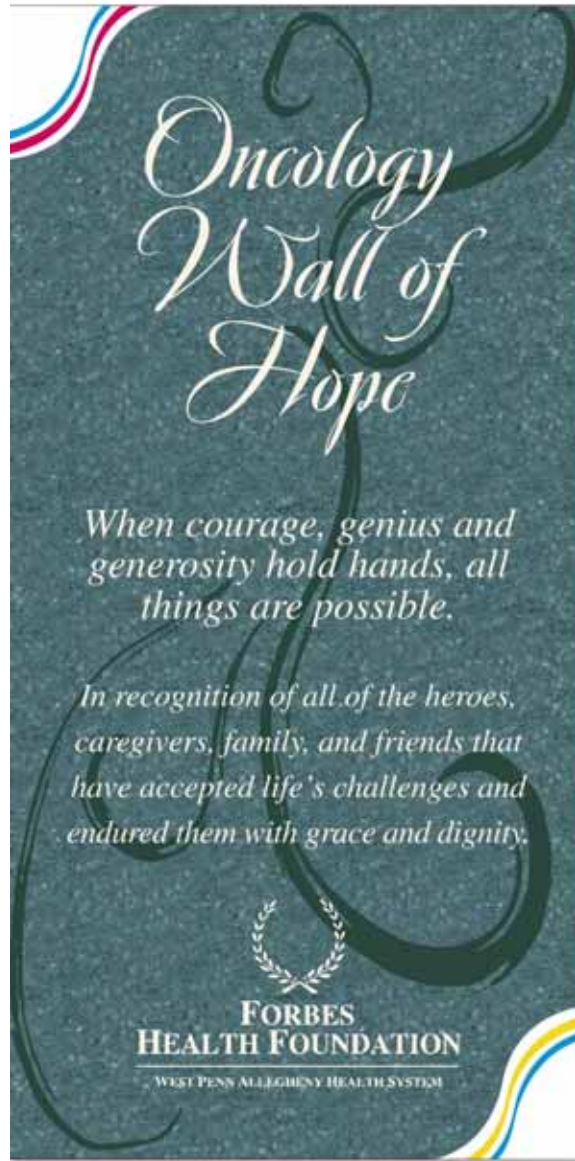

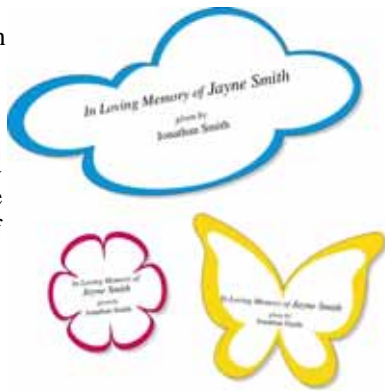

Cancer is the second leading cause of death in the United States. Half of all men and one third of all women in the United States will develop cancer during their lifetime.

Your gift to the Forbes Oncology Fund demonstrates your commitment to the battle against cancer – in your own community. Your gift can be earmarked to honor special occasions in your loved ones' lives — holidays, anniversaries, graduations, birthdays, etc. – or to celebrate the memory of someone special.

**We need your help to make some vital improvements that will enhance patient comfort and efficiency of care for patients at Forbes.**

Furnishings in the family lounge must be replaced, and we would like to be able to equip all of our patient rooms with microwave ovens and refrigerators.

We also want to create a Family Library with online resources and books for family members and friends. With your help, we can accomplish all of these goals. **Would you please consider a gift to Forbes Health Foundation to assist our cancer patients? You make a difference.**

Many of our kind donors mention in an obituary that the family appreciates donations to the Forbes Oncology Fund, 2570 Haymaker Road, Monroeville, PA 15146. The sum of these donations may be applied for personalized plaques.
